Disassembly and installation of accessories

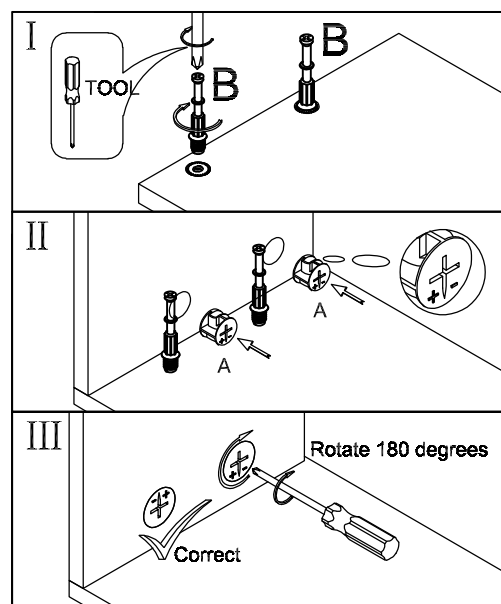

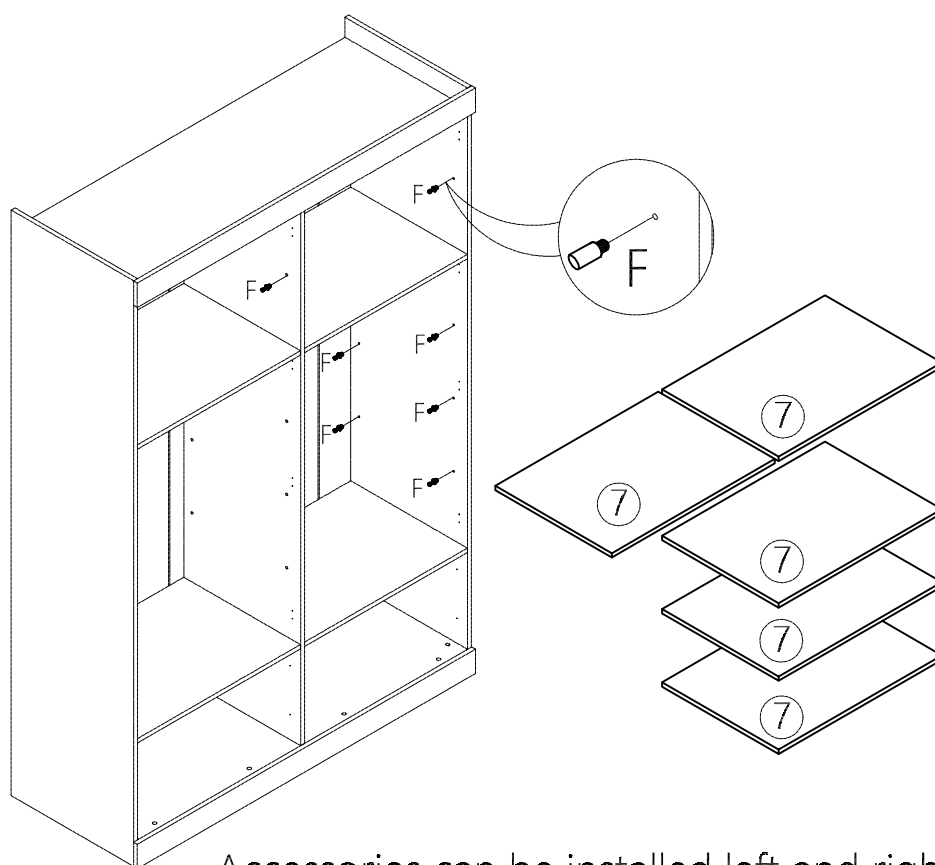

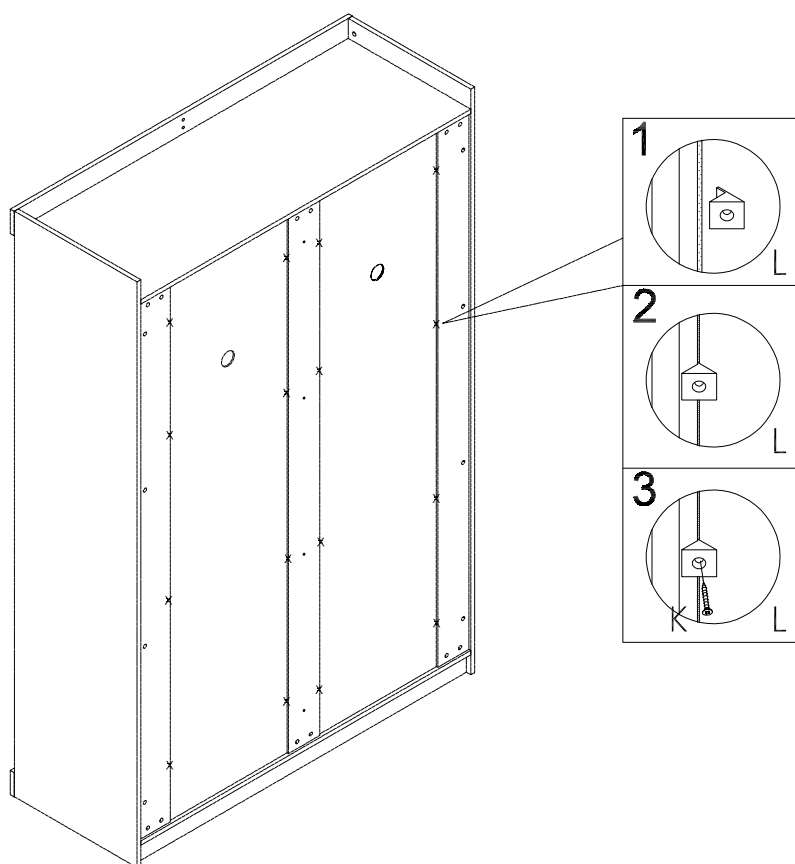

Disassembly and installation of accessories

Accessories can be installed left and right

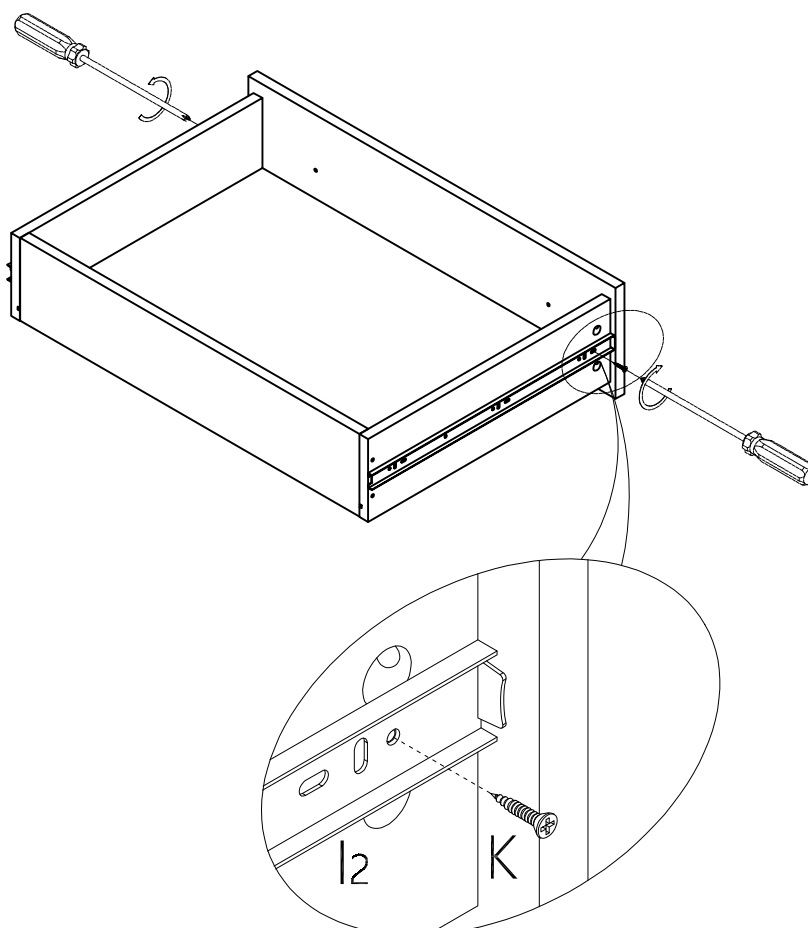

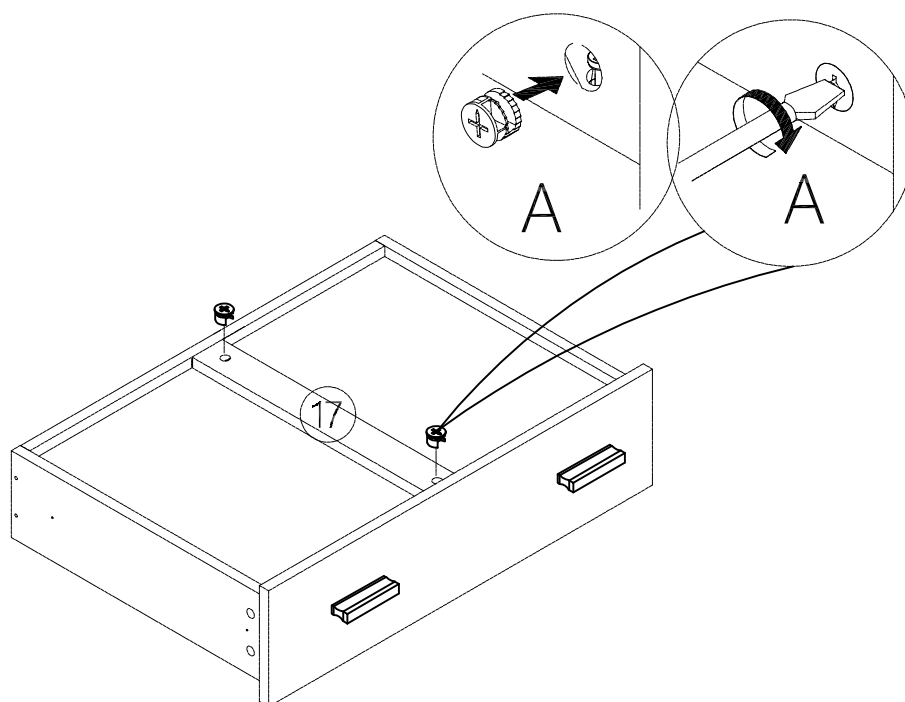

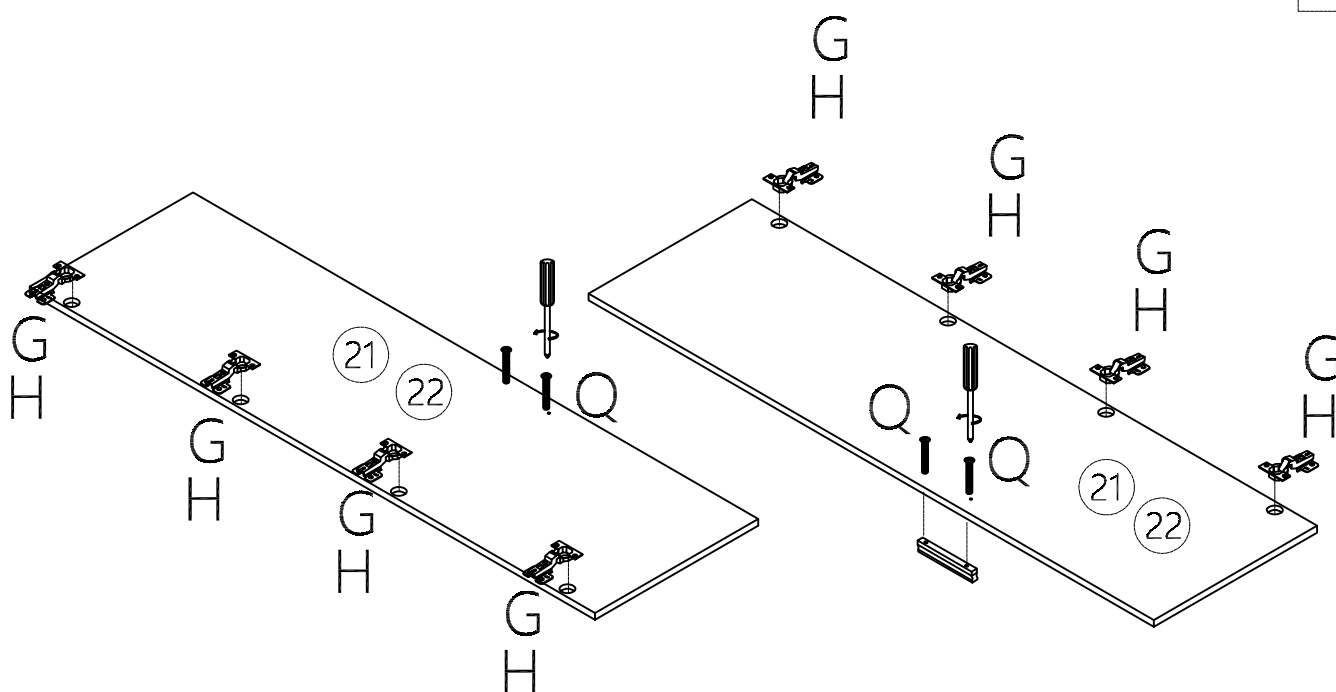

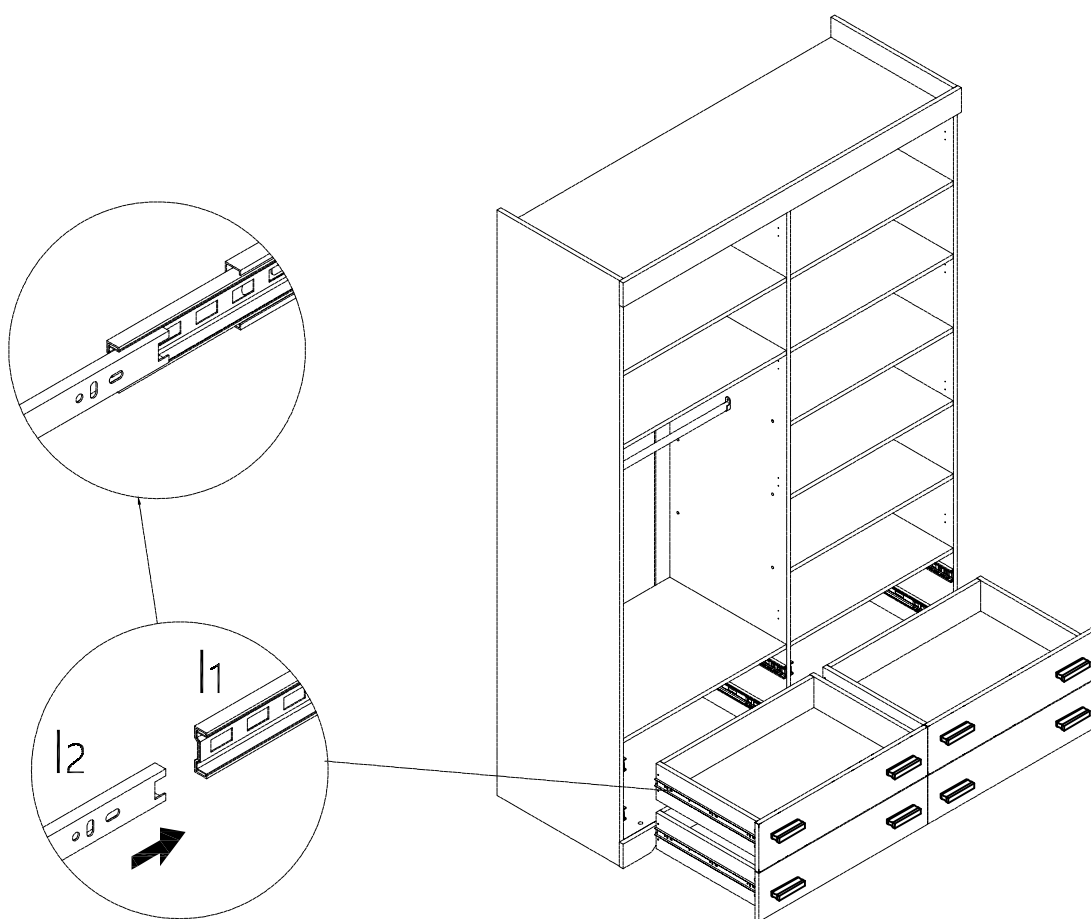

Movable plates can be installed left or right

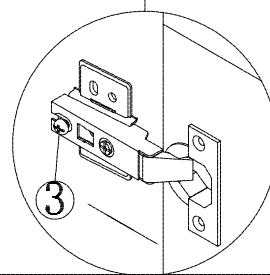

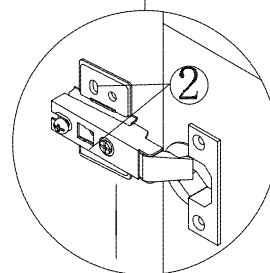

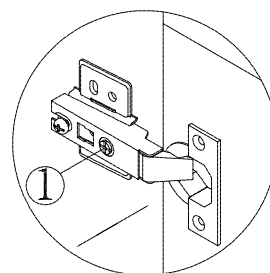

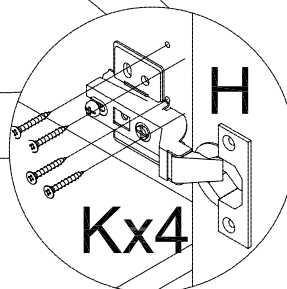

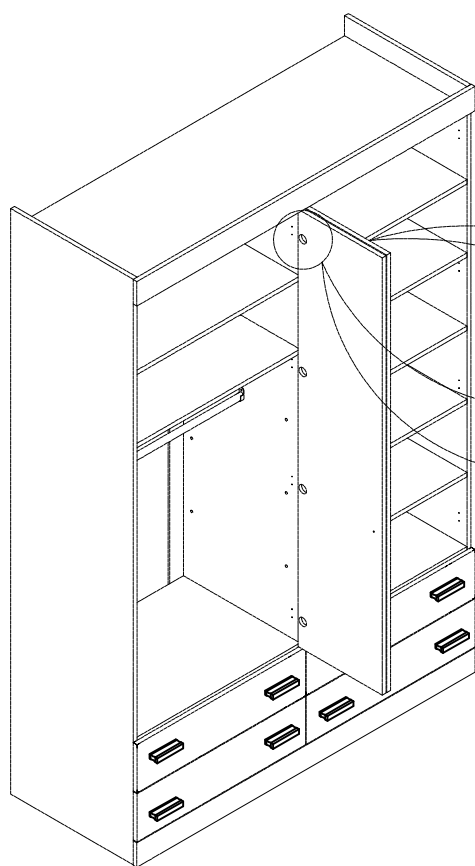

Technical drawing illustrating the assembly of the 15x4 panel to the 16x4 panel. The 15x4 panel is shown being inserted into the 16x4 panel. A screwdriver is used to tighten the screws securing the 15x4 panel. A circular inset provides a detailed view of the internal components, showing the 15x4 panel being secured by screws and a spring mechanism.

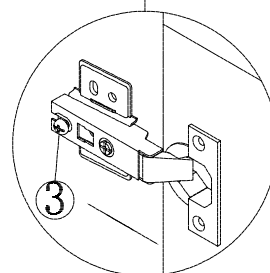

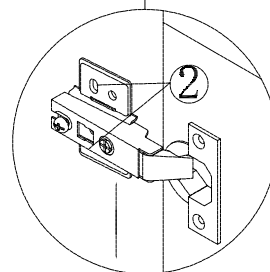

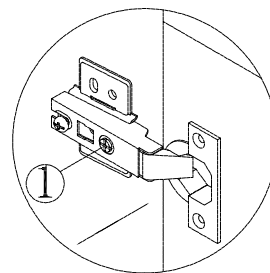

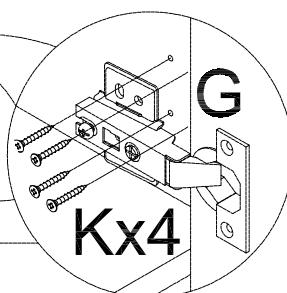

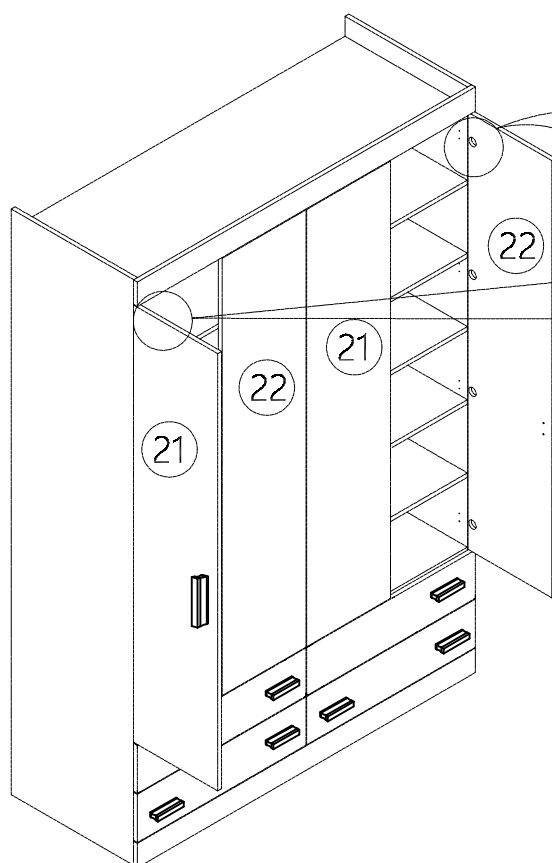

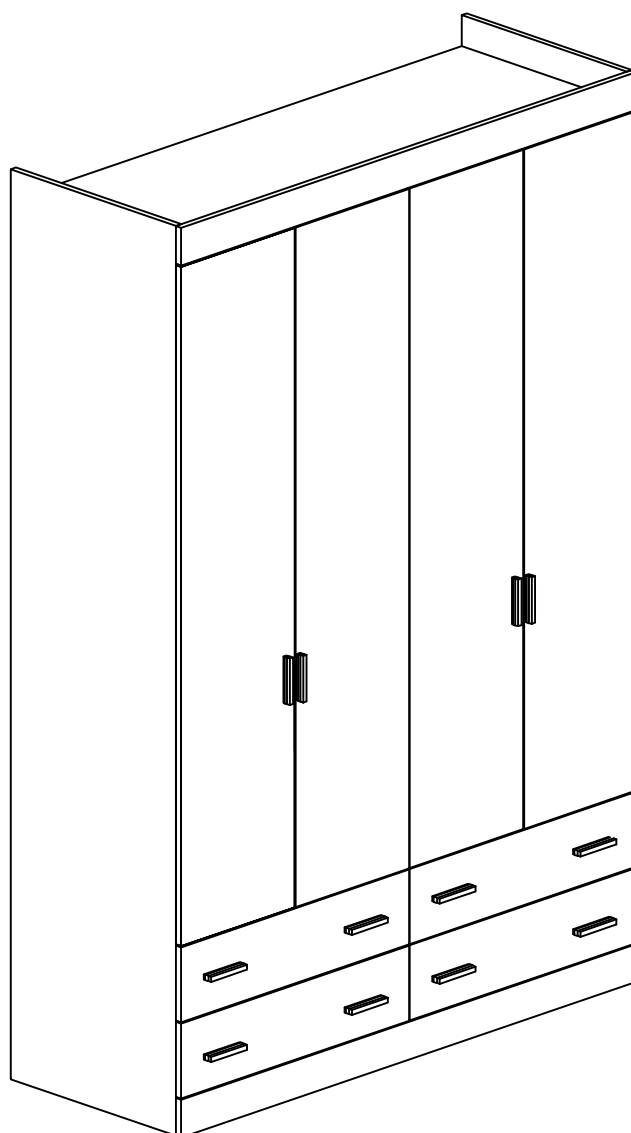

If there's a gap between the door,
adjust this screw.

If there's a gap between the door,
adjust this screw.

OK!
